### Eligibility & Guidelines

#### Eligibility

- Only youth 18 years and younger will be considered for financial support.
- A participant may not receive more than \$300 in a calendar year.
- Activities eligible for funding are sport registration fees, personal sports equipment and travel to sport camps/clinics. If applying for registration fees, a copy of the completed sport registration form must be submitted with the application form.
- Activities NOT eligible for funding are travel to competitions.
- If someone applies for personal sports equipment only, they MUST submit proof of payment of the registration fee for the sport activity for which the equipment is required.
- Applications MUST be supported by an adult endorser. #### Guidelines

- Applications should be submitted 30 days prior to the start date of the activity.
- Applications are processed throughout the year on a first come, first serve basis.

- Funds will be issued directly to the sport organization specified on the application. If the funds are approved for personal sports equipment, a voucher will be issued for the approved amount to be used at either Overlander Sports or Canadian Tire. Alternate arrangements may also be made for other sporting goods stores in the NWT.
- Parents may be required to submit their Notice of Assessment (Canada Customs and Revenue Agency) to confirm their annual income.
- If you are a foster parent, please provide proof of foster parent status.
- If an athlete decides to withdraw from a sport activity, the parent or guardian must notify KidSport™ NWT.
