

## **Sport North Federation President Nomination**

**Nominee:** Colin Pybus

**Nominated by:** Gina Williams, NWT Soccer

**Seconded by:** Kenzie MacDonald, Athletics NWT

### **Biography**

Colin has been on the Sport North Federation's (SNF) board of directors for the past four years. Currently, Colin is in the position of Acting President, taking over from Les Skinner earlier this year and is looking for an official mandate from the membership to continue on with the important work of this year.

Colin is the physical education teacher at East Three Secondary School in Inuvik, and is an avid supporter of youth activity and sport. A strong promoter of physical literacy and activity for all, Colin's PE classes utilize the Inuvik and NWT community, creating partnerships throughout the Territory. Colin sits on the NWT High School Sports Council, and helps plan and support sport within the NWT.

Colin has been a member of Team NT as a mission staff on seven separate occasions at Arctic Winger, Canada Summer, Canada Winter, North American Indigenous, and Western Canada Games. He has extended his support to the AWGs by being the Beaufort-Delta-Sahtu Regional Co or Full Coordinator for the past three Games.

Colin is an excellent example of what the dedication and professionalism needed for this position. Please consider him for the President position for the next two year term.
