

SPORT NORTH SCHOLARSHIP APPLICATION FORM

Complete the Scholarship Application Form and submit a résumé, along with two recommendation letters. Your résumé should clearly outline your experiences and achievements. This may include employment, volunteer work, gap year projects, awards, hobbies, skills and so on.

We ask that one letter of recommendation be an academic reference, and one be a character reference. We will consider up to a maximum of four letters of recommendation. If students send more it is at the discretion of the admissions committee which four will be considered. Letters must be submitted as PDF files, signed and written on official letterhead, or be sent directly from the person writing them. Letters that do not meet these criteria will not be considered.
