

How to Book Travel

To book travel, please book online at www.canadiannorth.com and enter your corporate promo code in the 'Promo Code' field.

Please ensure that all bookings made with our airline include the application of your promotional code - not only will this ensure you receive the best price, but it will also ensure that we are able to track all of your purchases for future discount updates.

We are proud to support your travel needs and thank you for your ongoing support!
